

World Day of Theatre
for Young Audiences
20 March 2020

Who we are.

we are *more than pedagogical*

we are *more than suitable for children*

we are *more than publicity*

we are *always a step up in your career*

we are *never an artistic dead end*

we are *progressive*

we are *interdisciplinary*

we are *experts*

we are *respectful*

we are *colleagues*

we are *diverse*

we are *close by*

we are *theatre for everyone*

we are *all that theatre can be*

maybe we are not always better, but

we are more than relevant.
